Divide by zero error encountered.

Average Salary = Total Salary/Total FTE (calculations using both Count and FTE are included in this report for comparison)

The SDER 77 includes all teachers employed by the district including those that do not impact the TEI such as Adult Education and teachers working from the administrative office.

ARS 15-941 requires that each school district submit employee data to the Arizona Department of Education on or before October 15th and allows districts to submit corrections to the reported data between February 1st and March 1st. School District Employee Report (SDER) data may fluctuate as district submit and revise data during these windows and should not be considered final for the current year until after March 1st.
