SCHOOL FINANCE MEMORANDUM 22-010

TO: County Juvenile Detention Education Program Directors, County School Superintendents and County Treasurers

FROM: Charlie Martin, Director of School Finance

DATE: August 6, 2021

SUBJECT: FY2022 County Juvenile Detention Education Program

Pursuant to ARS 15-913, each county that operates a juvenile detention center shall offer an education program to serve all school-age children in its juvenile detention center. A county may operate its juvenile detention center education program through an existing accommodation school. If a county chooses not to operate its juvenile detention center education program through an existing accommodation school, the County School Superintendent may establish a detention center education fund to provide financial support to the program.

- **Prisoners who have received required educational services and who have been in the county jail for more than forty-eight hours**
- **are eighteen years old or younger, or**
- **are with disabilities who are age twenty-one or younger**

An instructional day is defined as a minimum of 240 minutes of instruction provided to each child who has been in the juvenile detention center for more than 48 hours. The county juvenile detention funding is based on these instructional days. These calculations include the base amount of \$100,000 for each program and the variable amount calculated from the FY2022 Base Level Amount (BLA) of \$4,390.65 and on the submittal of these instructional days for FY2021. If your county program is shared, the base amount is allocated to each county based on the percentage of instructional days to the total instructional days for each county.

General Program Information as specified in the Attendance Report found on the School Finance website under County Forms at
