SCHOOL FINANCE MEMORANDUM 23-003

**TO:** District Superintendents, County Superintendents, Business Managers and Head Teachers

**FROM:** Charlie Martin, Deputy Associate Superintendent of School Finance

**DATE:** July 1, 2022

**SUBJECT:** A.R.S. § 15-825 (A) - Certificates of Educational Convenience: CEC-A  
CEC-A Application Procedure & Data Submission Requirements

Districts, that have students who qualify as a “CEC-A student” pursuant to A.R.S. § 15-825 (A), may apply to their County School Office for a Certificate of Educational Convenience. Upon approval, the County School Office will submit the actual certificate to the Department of Education, School Finance Unit. **It is important that districts request certificates for all students they intend to claim.** Please contact your county’s Superintendent’s office for details on how to apply.

The CEC funding for your school district is dependent on the following:

- Certificates of Educational Convenience issued by your county Superintendent
- AzEds submission with Special Enrollment Code “1”

If a student does not meet the above two requirements, they will NOT be included in the calculation. Please see below for details on each of the two requirements.

Certificates of Educational Convenience Excess Costs:

To be included in the CEC calculation each student must receive a certificate, containing complete information that includes each student’s SAIS ID number. Any student reported as CEC-A who does not have corresponding SAIS information on the student’s certificate or list will NOT be funded as a CEC-A student.

Average Daily Membership Transactions (40th and 100th Day Counts)

AzEds submission of Membership transactions for all CEC-A students the district intends to claim is required. Special Enrollment Code field must be set to “1” to identify CEC-A students. If there are any concerns or questions about which field this relates to, please contact your student management system vendor for more information. The District of Residence (DOR) County-Type-District (CTD) number should indicate the county code of residence (e.g. if in Maricopa County the county code = “07”), plus the type of school grade reported (e.g. 04 = elementary grades, 05=high school grades), plus 00 as the district code. Thus, in this example the

District of Residence CTD number could be 070400. This will indicate to School Finance that these data are for CEC-A students only.

The following reports may be used to review and/or analyze CEC-A student reporting:

Special Education Needs Transactions:

SAIS submission of Special Education Needs transactions for all CEC-A students the district intends to claim is required. Special Enrollment Code field must be set to "1" to identify CEC-A students. If there are any concerns or questions about which field this relates to, please contact your student management system vendor for more information. The District of Residence (DOR) County-Type-District (CTD) number should indicate the county code of residence (e.g. if in Maricopa County the county code = "07"), plus the type of school grade reported (e.g. 04 = elementary grades, 05=high school grades), plus 00 as the district code. Thus, in this example the District of Residence CTD number could be 070400. This will indicate to School Finance that these data are for CEC-A students only.

CEC-A students must be reported through Student Detail Membership transactions (ADM) and, if applicable, Student Detail Needs transactions (SPED). If data has already been submitted and does not meet the following criteria, make any necessary corrections to ensure accurate funding calculations.

All districts must report all students residing in unorganized territory that attend their district, even if CEC funding is not being requested. This information is required for purposes specified in A.R.S. § 15-445 and A.R.S. § 15-825.02.

**AzEds Reporting Requirements for CEC-A Students: All required CEC-A student detail data successfully submitted and processed by June 1, 2023 @ 5pm will be eligible for CEC funding during FY 2023.**
