SCHOOL FINANCE MEMORANDUM 23-004

TO: District Superintendents, County Superintendents, Business Managers and Head Teachers

FROM: Charlie Martin, Deputy Associate Superintendent of School Finance

DATE: July 1, 2022

SUBJECT: A.R.S. § 15-825 (B) - Certificates of Educational Convenience: CEC-B CEC-B Application Procedure & Data Submission Requirements

Districts, that have students who qualify as a “CEC-B student” pursuant to A.R.S. § 15-825 (B), may apply to their County School Office for a Certificate of Educational Convenience. Upon approval, the County School Office will submit the actual certificate to the Department of Education, School Finance Unit. **It is important that districts request certificates for all students they intend to claim. Concerning A.R.S. § 15-824(F), there is no additional funding formula available for students that do not have a Group B disability.** Please contact your county’s Superintendent’s office for details on how to apply.

The CEC funding for your school district is dependent on the following:

- Certificates of Educational Convenience issued by your county Superintendent
- AzEds submission with Special Enrollment Code “2”

If a student does not meet the above two requirements, they will NOT be included in the calculation. Please see below for details on each of the two requirements.

If your district plans to claim Actual Cost funding for students attending a private school, submit a list of student name(s), SAIS ID number(s), enrollment date(s), name of the private school and projected tuition costs to School Finance at SchoolFinance@azed.gov. You may obtain a list of all certificates received by ADE for your district by submitting a written request to SchoolFinance@azed.gov after the County submission deadline of June 30, 2023. Please have all supporting invoices/worksheets for tuition/services for Actual Costs in by July 10, 2023, if you are going to claim these services.

Note: All districts must report all students residing in unorganized territory that attend their district, even if CEC funding is not being requested. This information is required for purposes specified in A.R.S. § 15-445 and A.R.S. § 15-825.02.

CEC-B students must be reported through Student Detail Membership transactions (ADM) and, if applicable, Student Detail Needs transactions (SPED). If data has already been submitted and does not meet the following criteria, make any necessary corrections to ensure accurate funding calculations.

Average Daily Membership Transactions (40th and 100th Day Counts)

AzEds submission of Membership transactions for all CEC-B students the district intends to claim is required. Special Enrollment Code field must be set to “2” to identify CEC-B students. If there are any concerns or questions about which field this relates to, please contact your student management system vendor for more information.

The following reports may be used to review and/or analyze CEC-B student reporting:

- **Student Detail Reports:** The ADM15 reports are accessible via ADEConnect.
